## Sir Wilfred Grenfell Commencement Speaker At Seminary In June

Sir Wilfred Grenfell, well known as the "great Labrador Doctor" who has been a frequent and welcome visitor to Northfield has been chosen as the commencement speaker for the graduating class of the Seminary, this coming June. The now famous physician and missionary was born in England in 1865. He began his work in Labrador in 1892, after he had completed his school days at Oxford and studies at London hospital, White-chapel. In Labrador he founded four hospitals, an orphanage, and a school, and established the cooperative movement there. Shortly before going to Labrador, he had become interested in mission work among mariners. He maintained homes on land and mission-boats were sent out to sea.

In 1912 he established the Fifth Seaman's Institute in St. John's Newfoundland.

He received the gold medal from the National Society of Social Sciences in 1920. In 1927 he was knighted. He was elected rector of St. Andrew's University in Scotland in 1928, and in 1929 he received the honorary degree of L.L. D. from Princeton.

He has written several books which are mostly on Labrador, and in medical fields. He also has written an autobiography called "A Labrador Doctor."

Sir Wilfred Grenfell has many personal friends here and they will again be happy to greet him. The graduating class of the Seminary have made a fortunate selection.

## Attend The Card Party Health Council Benefit

Next Thursday will be Washington's birthday, and the local Health Council is planning for a card party to be held at the town hall to raise funds for its work. Members of the Council have already disposed of a large number of tickets and assurance has been given that a large number of our citizens will attend. There will be provision made at the tables for each to enjoy his favorite game, pitch, whist, auction and contract bridge. There will be prizes for each set of games as well as a door prize and tickets include refreshments. Make a definite promise with yourself that you will attend the card party at the town hall on the evening of Washington's birthday. Committees appointed are: Mrs. Charles Taber, Mrs. John Holden, Mrs. Fred Holton, Mrs. A. Gordon Moody, refreshments; Mrs. Ethel Hopkins, prizes; Mrs. John Holden and Mrs. G. V. McNeil, publicity; Mrs. Carroll Miller, Miss Mary Dalton, Mrs. Ray Thompson, Mrs. George Pefferle, tables and chairs; Miss Anne Mattoon, tickets. Tickets are on sale by council members.

## Seminary - Hermon Sunday Speakers

Dr. Henry Hallam Tweedy of Yale will speak at Northfield Seminary twice on Sunday, Feb. 18. Services in Sage chapel will be held at 11 a. m. with vespers at 8 p. m.

Mount Hermon students will hear Dr. Samuel McC. Cavert, general secretary of the Federal Council of Churches in America, who will also deliver two addresses. Dr. Cavert will speak in Memorial Chapel at 10:30 a. m. and 5 p. m.

## Bequest To Schools

A bequest of \$15,377 has come to the Northfield Schools this month from the estate of Mrs. M. Jennette Hamlin, a summer resident of East Northfield before her death in 1918. Two persons, now deceased, had a life interest in this money which Mrs. Hamlin willed to the schools.

Harmony lodge of Masons will hold its regular meeting in Masonic hall next Wednesday evening.

## Blizzard Strikes Here Winters Big Storm Over A Foot of Snow

It's been a long cold winter with the thermometer down so low that coal piles and stock of fuel wood have disappeared as if by magic, and we have become weary of the season and long for spring with its promise of warmer weather, the singing of birds and the planting of flowers. Many days have been pleasant however and those who enjoy the winter sports, have had opportunity to do so, but to a large number of our citizens, the weather has meant an existence, confined somewhat to the home and fireside. With the month of February, passing rapidly, and the enjoyment of several days of rising temperatures, we are now unshaken by the sudden storm which arrived Tuesday evening and continued in increasing intensity until Thursday noon. The snow fell steadily to a depth of from 14 to 18 inches and the howling wind piled up the drifts, making traffic impossible on all but the main thoroughfares. The snow plows were out continuously on both the state highways and the town roads and crews of men worked valiantly to keep the roads open. In open places drifts were formed that proved difficult to remove. Automobiles traveled slowly as visibility was poor and only those with chains made any progress. In fact there were only a few that were out on necessary errands. Fortunately the electric light service was well maintained throughout the storm. Temperatures were about 18 throughout with colder weather following and then rising on Friday. Everybody did their share of snowshoveling after this blizzard.

## Mrs. Mary H. Hall

Mary Houghton Hall died in Keene early Tuesday evening after a brief illness. She was born in Hinsdale, N. H., Oct. 19, 1866, the daughter of Christopher Allen and Harriett (Baker) Mason. She was married to Albert L. Hall in Keene April 11, 1885 and they made their home in Hinsdale until his death Feb. 11, 1937 when she moved to Keene. Surviving are six children, Miss Edith M. Hall of Philadelphia, Mrs. Frank C. Minor of Keene, Mrs. Ross L. Spencer of Northfield, Edward A., Ernest W. and Ellis C., all of Detroit. Also two sisters, Mrs. Arthur Atwood and Mrs. Lawrence Butler of Hinsdale and a brother, Frank E. Mason of Boston. The funeral services will be held in Hinsdale, this Friday afternoon at one thirty o'clock at Lambs Funeral home. Rev. Willis E. Smith, pastor of the First Congregational church, of Keene, will officiate assisted by Rev. Ray E. Butterfield of the Congregational church of Hinsdale of which Mrs. Hall was a member. Burial will be in Pine Grove cemetery.

## With The Grange

Members of the local Grange held a Valentine party on Tuesday evening. There were readings by Lewis Shine, Mrs. Cora Hale, Herman Burdick, Mrs. Pearl Allen and Mrs. Bertha Rikert. Lincoln's and Washington's birthdays were commemorated by readings. Austin Phelps read the palms of members and refreshments were served. Mrs. Ruth Holton was appointed secretary and Carroll H. Miller, treasurer to act in the places of Mr. and Mrs. Arthur N. Farnum who are in Florida for several weeks.

Connecticut Valley Pomona Grange met with Northfield Grange Wednesday. A business session during the morning was followed by a luncheon at noon, served by Mrs. Gertrude Gibson, Mrs. Vira Miller, and Mrs. Hattie Durant. The afternoon was devoted to a program of sociability and pastimes under direction of Mrs. Clarence Field of Greenfield.

William D. Miller was in Boston last Saturday attending the Sportsmen's show in Mechanics Building.

We are still plugging for Finnish and Polish relief. Although the honorary relief committee for Northfield is not yet complete for publication, the acting treasurer Mrs. Walter Hyde at the Bookstore will be glad to receive your contribution and forward to headquarters. Don't wait. Give now as need is necessary.

## Legion Holds Contest High School Students

On Wednesday evening of last week, the American Legion oratorical contest was held in Alexander Hall with eight students participating. The winners were Valentine Plotczyk, first; Donald Newton, second; and Ethel Tenney honorable mention, all members of the junior class. The winners were presented medals. The essays were prepared under the direction of Miss Phyllis Turner of the English department although all teachers assisted in the preparation of the speeches. The judges were William Wilson, Robert Marr and Humphrey Hadley of Mount Hermon. The other five who took part in the contest and presented papers were Elizabeth Nilo, Ian French, Frances Eddy, Evelyn Russell and Joseph Holton. Plotczyk's subject was "Why a Constitution" and Newton's "History of our Constitution."

Dr. Arthur E. Westwell of Belchertown, district chairman of the oratorical committee, made a few remarks of congratulation to contestants, faculty and friends. Musical selections were given by Margaret M. Donahue, Arlene G. Dunnell, Gloria M. Savcheff, and Carlene Tyler. There was a large attendance, comprising students, members of the local Legion, auxiliary and friends.

## Morgans Anniversary At Northfield Farms

Notwithstanding the inclement weather of last week Tuesday, a large number of friends called at the home of Mr. and Mrs. Charles C. Morgan at Northfield Farms to congratulate them upon the observance of their 50th wedding anniversary. Friends presented them with a sum of money, and they received many flowers and gifts. Mrs. Morgan received from friends in Athol a most beautiful bouquet. The evening was spent in a social way and Mrs. Morgan cut the "brides cake" and presented a piece to each guest. Refreshments were also served to all callers by a committee of hostesses who assisted Mrs. Morgan. Many guests were present from out of town places and a large number of our local citizens also called at the home.

## Gill Is Debt Free Expects Lower Tax

Our neighbor town of Gill, in which the Mount Hermon school is located, is in a comfortable financial condition with no debt and a lower tax rate expected. There is one outstanding bill of \$1263.36 for tuition which will be included in this year's appropriations.

Town officials said "Unless extraordinary and unforeseen expenditures arise the officers look forward to another year of steady improvement with a possibility of a further reduction in the tax rate."

Cash on hand on Dec. 31, 1939, was \$14,466.51. This was \$3320.28 more than the balance of \$11,146.23 reported on Dec. 31, 1938. Receipts for 1939 were about the same as the preceding year but expenditures were \$3200 less. Treasurer Earl N. Squires reported.

Uncollected taxes at the close of 1939 were \$7895.98, \$153.78 less than in 1938, while surplus revenue increased \$770.21 to \$10,955.82. Total valuation increased \$4,202 to \$837,261, while the tax rate was reduced from \$33 to \$28.50, a net reduction of \$4.50 a thousand.

## All Day Institute

On Wednesday, Feb. 28 the annual regional institute of the Womans Christian Temperance Union will be held here in Alexander Hall. The program will open at eleven o'clock and lunch will be served at noon. The speakers will present the work of four departments followed by discussion. The afternoon session will begin at 1:45 o'clock and a cordial invitation is extended to all to attend. Bernardston will send a large delegation.

All of our citizens are urged to attend the public meeting held by the Brotherhood of the Congregational church next Tuesday evening at the church at 7:30 o'clock to hear Senator James A. Gunn of Turners Falls talk on state governmental matters. It will be a worthwhile meeting.

## From Spurgeon Gage About Florida Fruit

An authentic bit of information from Florida, in regard to the cold down there, comes in an airmail letter from our fellow townsman, Spurgeon Gage, now an orange orchardist, who has a home in Orlando, as well as a residence in Northfield. He fears that friends might feel that he has stopped shipping fruit since the freeze down here. This is not the case, and since the freeze he has shipped some 50 bushels, all certified that the fruit comes from a protected grove and has been O. K'd by the State Inspector, as free from serious frost damage. Mr. Gage states emphatically that prices have not advanced and he hopes to keep his prices low as long as possible. The trees in the orchards of Mr. Gage were not seriously damaged and the shrubs which were cut are already growing. The late Valencia oranges seem unharmed. His crop of potatoes are looking especially fine this year and onions, cabbage and lettuce look thrifty. He adds, "The mocking birds and cardinals sing again and the robins are stopping over on their way north."

## County Fair Society Reelects Officers

At the meeting of the Franklin County Agricultural Society held at the Mansion House in Greenfield last Saturday, Fred B. Dole of Shelburne was unanimously re-elected President. Whitman B. Wells of Greenfield, secretary and William C. Conant, Treasurer. Other officers were also re-elected. The highlight of the meeting was the announcement that the organization is in a healthy financial condition and had reduced its mortgage on the fair grounds to \$4600. Last years receipts were \$16,108.18, the third largest in the past ten years. Many improvements are planned for Franklin Park and plans for the fair for this year are already under way.

## Planets Form Line In Sky This Month

If you are at all interested in observing the bright planets in the sky on these clear and cold evenings, or if you have watched the luminous bodies twinkle, perhaps you know of them by name and the time of their appearance, but this month beginning Feb. 23 you may witness an unusual spectacle. From that day to early in March if you watch carefully, you will find in the heavens, five of the brightest planets in the heavens, arranged in almost a perfect row. From the horizon, upwards you can readily discern first, Mercury, then Jupiter, then Venus, then Saturn and then Mars. The heavens will not stage this show again for the eyes of the living, so see it while you may.

## Hermon Athletics

Three varsity sports teams from Mount Hermon moved into action this week. On Wednesday afternoon, the hockey squad closed its season at Deerfield, having won two and lost one. The basketball and fencing teams engaged Wilbraham here on the local courts. On Saturday, the swimmers open their season against the Trinity College frosh.

The second and third hockey teams meet Deerfield here and the Junior League basketball team played Wilbraham here following the varsity game. On Saturday the second and third hockey teams go to Vermont Academy.

Last Saturday Mount Hermon won over Vermont Academy in hockey in a score of 3-1 and at Amherst, Hermon's wrestlers lost to Amherst frosh 23-11.

## Road Hearing

A public hearing will be held in the Warwick town hall, March 1 at 2 p. m. on a petition of the selectmen of that town in which relocation of the Northfield road in Warwick is sought. It would be about one-half mile from the Northfield town line.

## Valued Volume Stolen By Thief At Williams Forged Dr. Moodys Name

From the shelves of Stetson Library at Williams College, a first edition, printed in 1623, of Shakespeare's plays is missing. A man who identified himself as Sinclair Gilligan, presented himself last week Thursday, at the library with credentials to which was attached the name of Dr. Paul D. Moody, President of Middlebury College, since proven to be a rank forgery. Only those with credentials can have access to that section of the library where such volumes are kept. About closing time, the loss was discovered and in place of the missing book was found a dummy which compared in size and make-up to the Shakespeare volume. The Shakespeare edition is very valuable and the four books in the set, valued at \$31,000 were a gift of the late Alfred C. Chapin. The theft is considered to have been carefully planned. The stolen book is bound in red morocco and has an elaborate design with gilt edges. It was prepared by Bedford of London. There are very few of the books in existence to-day. Police and experts have been called into the case and are working feverishly to solve the robbery. Dr. Paul Moody was in Northfield last weekend and pronounced his signature to the credentials as a rank forgery.

## Pocumtuck Meeting Scheduled The 27th

The Pocumtuck Valley Memorial Association will hold its 70th annual meeting at the Memorial hall in Deerfield on the afternoon and evening of Tuesday the 27th. After the business meeting of this leading historical society, the reception of reports, etc., the sessions will be devoted to the delivery of historical addresses. Among the speakers will be Miss Emma L. Coleman of Boston, on the "Frary house in Old Deerfield"; Prof. George B. Burnett of Deerfield Academy on "historic Deerfield"; Mrs. Lucy Cutler Kellogg, author of the "History of Bernardston"; "History of Greenfield" and "Bucklands Genealogies" on "Local Names." All who are interested in historical matters in this valley are invited to attend the meeting.

## Announce Engagement

The engagement is announced of Miss Marion Alice Gould, daughter of Mr. and Mrs. Edward E. Gould of Newburyport and William Howard Niblock, son of Mrs. Eva R. Niblock of Lynn and a teacher at Mount Hermon school. Miss Gould was graduated from Radcliffe in 1935 and has been teaching in Beaver County Day school. Mr. Niblock was graduated from Bowdoin college in 1935 and received his masters degree from Harvard in 1936. No date has been named for the wedding.

## Storm Damages Trees

The severe rain and sleet storm of last Saturday afternoon and night did considerable damage to the beautiful birch trees in the woodlands, and other places where they are to be found. Other trees suffered also with the heavy weight of ice and on the West Northfield Road a falling limb carried down the electric wires about four o'clock in the morning and put out of commission the street lights of the town. A working crew from Greenfield soon made repairs however. By Sunday noon the warm rays of the sun had melted the ice from the trees and the limbs were again bared.

## "Mary of Scotland"

Tau Pi of Northfield Seminary will present "Mary of Scotland" under the direction of Miss Ritchie, in Silverthorne Hall on Saturday evening to eight o'clock. The story of Mary, was written by Maxwell Anderson, a well known playwright, and is the narrative of Mary Stuart, Queen of Scotland and centers around the effort, of "Queen Bess" of England to remove Mary from the throne of Scotland by carrying out a sinister selfish plot. The story of how Elizabeth accomplishes her end and brings about the death of the heroic Mary Stuart is a thrilling story majestically told in a superb play, and beautifully acted out by a splendid hard-working cast. Doran Davis daughter of Capt. and Mrs. George Davis of Highland Ave., a member of the Junior class takes the part of Lord Gordon in the play.

## Foreign Policy Dinner At Weldon Next Monday Discuss Future Peace

The peace of the world, after the close of the European conflict, will be the subject to be discussed and seriously considered at the session of the Franklin County branch of the Foreign Policy association, which will be held at the Hotel Weldon, next Monday at 6:15 o'clock for a dinner and followed by the speaking program an hour later. Chairman David R. Porter, headmaster of Mount Hermon school, states that Prof. Karl Lowenstein, professor of Amherst college and former instructor in European universities with a broad personal background of that continent's problems, would be the chief speaker. Three members of the branch will develop other phases before the question period.

Dr. Porter described the program as an attempt to assay more immediate steps to insure lasting world peace than the long-term view embodied in "Union Now," which was the last topic of the FPA in conjunction with all service clubs of the country. He said the discussion might bring out possible weaknesses in the Clarence Street proposal but would attempt to find practical basis for his idealism.

Both the dinner and the meeting will be open to the public as well as to members of the association, who now number more than 60. Many from this town are members of the FPA and regularly attend its sessions.

## Religion Conference At State College

Speakers from college, church and labor unions will be on the program of the annual conference on religion at the State College in Amherst on Friday and Saturday, Feb. 23 and 24, under the auspices of the Student United Religious Council.

Speakers representing Protestant, Catholic and Jewish faiths will appear in a symposium Friday evening. Dr. Joseph Van Vleet, Jr., of the Hartford Theological Seminary, will discuss "Religion as a training for participation in democracy." Rabbi William G. Braude of Providence will speak on "Religion and democracy" and Rev. Vincent C. Donovan, national director of the Catholic Thought Association, New York, will present a similar subject. James B. Carey of the Electrical, radio and machine workers will speak on "Unionism, Christian in practice." Following round table discussions led by State College faculty members on Saturday the conference will close with an address by Dr. Julius S. Bixler of Harvard Divinity school. It is expected that students from Northfield's school will attend.

## Brotherhood Guest

Next Tuesday evening, the Brotherhood of the local Congregational church, has scheduled its regular meeting, with the supper at 6:30 o'clock and for the transaction of several items of business. The guest of the evening

Senator James Gunn

will be Senator James A. Gunn, of Turners Falls, who represents this district in the State Senate, and who will speak on "current legislation" at 7:30 o'clock. It will be a public gathering and all our citizens are invited to attend. Mr. Gunn is no stranger to Northfield and has many friends here, who have given him loyal support in his political endeavors.

The next scheduled lodge of instruction for members of the Masonic fraternity will be held on Tuesday evening, Feb. 27 with Republican lodge of Masons at Greenfield. The speaker will be Rev. K. A. Handanjan, whose talk will be of Masonry in Europe.

## Local Boy Scouts Receive Merit Awards At Court Of Honor

Boy Scouts of Troop 9 of Northfield received merit and advancement awards at the holding of the Court of Honor in the Second Congregational church in Greenfield, Tuesday evening. Jack Polhemus was awarded a star scout badge and a merit badge award for athletics, firemanship, first aid, first aid to animals, woodworking and zoology. Local scouts given second class awards were Leland Lawrence, Norman Bolton, Clinton Holton, Carleton Finch, Ross Spencer Jr., Donald Lilly, and Richard Harris. Given first class award was Kenneth Bolton. Judge Francis Nims Thompson, District Chairman Willard O. Eibert, William H. Baker of Shelburne Falls, Rev. Arthur P. Pratt, Stuart Winch of Turners Falls Commissioner Harold Ashley of the Franklin District and Executive E. G. Warner conferred upon 95 boys the honors which they deserved as a fitting close of Boy Scout week, a national observance. Sam Truesdell represents Northfield on the Boy Scout council and Principal Harding of Center school is the local scout master.

## To Talk on Bird Life

On Saturday evening, the 24th, in Silverthorne Hall, the well known bird lecturer, Cleveland Grant, will present a lecture on "The Color Camera Explores Bird Behaviour" before a gathering of the Seminary students. Mr. Grant, who was a classmate of Rev. Mr. Ingalls in his college days, is now the Director of extension at the Baker-Hunt museum, and has spent much time recently in filming bird life in the middle west. The address of Mr. Grant will be illustrated with colored film pictures.

## Nominating Papers

Nomination papers were circulated for signatures in town this week for the naming of delegates and alternates at large, to the Republican National Convention this summer. The delegates named were Governor Leverett Saltonstall, Senator Henry Cabot Lodge, Rep. Joseph W. Martin, Jr., and John W. Haigis. The State Primaries will be held on Tuesday, April 30th. It is expected that many blank nominating petitions will be received here for signatures of local voters, from those who expect to be candidates for various offices, both Democratic and Republican.

## Likes Our Editorials

A communication from Truman Pierson, President of the International Humane Education Foundation from Indianapolis, who recently saw a copy of the Press, writes a letter of commendation of our editorials. He is particularly pleased with the one on "Massachusetts going to the dogs." A letter from the President of the Minnesota Humane Education Society also commented favorably upon what the Editor had to say in the same editorial.

## "Europe After The War"

On Monday evening, at the Weldon Hotel, the County Foreign Policy association headed by Dr. David Porter of Mount Hermon, its President, will gather for a dinner at 6:15 o'clock and at 7:15 consider the problem of "reconstruction in Europe after the war." Professor Karl Lowenstein of Amherst college will be the guest speaker, with the discussion on Americas part led by Mrs. W. Scott Keith of Deerfield, Miss Eleanor L. Davis of Northfield Seminary and William G. Averitt of Deerfield Academy. Local residents who desire to attend either the dinner or the forum should get into contact with Mrs. C. N. Stoddard the Secretary 5 Congress Street, Greenfield.

Mr. and Mrs. Ray Thompson, it is said, are to leave town to take up their residence in Rutland, Vt. where Mr. Thompson has accepted a position as an assistant manager for a distributing oil company. They will be missed by many friends in this community, where Mrs. Thompson has served as a teacher and been active in civic work.

The Ladies Benevolent Society of Northfield Farms held a covered dish supper at their regular meeting Wednesday evening at the Northfield Farms Library.

### Back Yard Gardener

Well, I suppose by this time you have already ordered your supply of new plants and flower seeds and also vegetable plants and seeds, or at least you have made up your mind what you are going to order. Or have you?

In other words, are you in the same position as I am when it comes to deciding which of the thousand and one varieties to select? You have only so much room and so why not do as I did? I write to the specialists at the State College for a list of varieties, both flowers and vegetables, which might be used by the amateur gardener. If you would like copies of these, I'd be more than pleased to send them to you. So just drop a line to the Back Yard Gardener, 62 North Prospect St., Amherst, Mass., and I'll see that you get a copy of either list or both if you wish them.

I was reading in an article put out by the Waltham Field Station about how they develop seed corn varieties. It is really quite an intricate stunt. A recent history of sweet corn varieties in the United States lists almost 1000 white and 200 yellow named varieties. And now new varieties are coming so thick and fast that the seedsmen simply give them numbers instead of names.

Golden Bantam is of course the most famous of the open pollinated varieties. Golden Cross Bantam which was introduced in 1933 is the outstanding hybrid variety. All varieties not hybrid are known as open pollinated.

Hybrid corn is produced in several ways. The simplest method is two inbred strains planted side by side. One is detasseled entirely so that all of the seed is the result of a cross, and no seed is saved from the strain on which the tassels are left. Corn from this method of crossing is known as a single cross hybrid.

Inbred corn is produced when both tassels and silks are bagged and the fertilization process is done by hand. This inbreeding is continued for at least four or five years in order to fix certain desirable qualities, undesirable qualities at the same time being eliminated.

A top cross is produced by crossing an inbred with an open pollinated variety. A three-way cross variety is one whose seed is produced by the transfer of pollen from an inbred to the silks of a single cross hybrid. Hence it is a three-way hybrid made up of three unrelated inbreds. A double hybrid is a cross of two single hybrids which is, therefore, the product of four unrelated inbreds.

Now if that isn't complicated, I don't know what is, and so I guess when the field station men and others tell us that Coal Black or John's Yellow Pink are the best varieties for the home gardener, we will simply have to take their word for it.

Not only do we see corn breeders work for quality, but they work for other things. For example, bacterial wilt is a very destructive disease, and many of the hybrids are resistant to this disease, while old varieties are not. Furthermore, they try to cut down the number of days from planting to ears. Some corn varieties produce in 65 to 70 days while others take 80 to 85 days and perhaps longer.

And now don't forget that if you want either a list of the new varieties of flowers or a list of the best vegetable varieties, you are going to drop me a post card.

Mr. Bernard Shaw is a past master at the ready retort. A young woman sitting next to him at dinner remarked: "What a wonderful thing is youth!"

"Yes—and what a crime to waste it on children," GBS replied sagely.

## TWISTING THE DIALS

With A. L. SIMON

Roy Moulton, managing director of the Hotel Piccadilly, says an interesting commentary on Radio is to be found in the annual police report of the Missing Persons Bureau of the New York Police Department. A stage or screen career is the aim of girl runaways, according to the head of the bureau. But rarely does a girl run away for a radio career! The reason is a curious one. Radio stations are to be found in practically every city and town in the country. Therefore, it is too easy to embark on an air career—but Broadway and Hollywood are, nine times out of ten, vast distances from the runaways—and distance lends enchantment!

On the other hand, though, we asked a group of professional models what they would prefer to do in the entertainment field and every one said emphatically, "Radio!" We remember when the answer used to involve only the silver screen and footlights.

It seems that girls who want a "break" today know that the airwaves may be a stepping stone. That initial step is right in their own backyard—with the local radio station.

There are dozens of cases where local stations have produced network stars who in turn have turned to the legitimate stage and from the footlights, they have wandered off to the enchantment of Hollywood.

Tommy Dorsey is grooming one of the girls in his quartet for the vocal spot with his crew. . . . Sergio Orta is bringing a new musical score to the rhumba-laden Havana Madrid club. . . . that extra laugh from the studio audience when George Jessel thanked Sir Cedric Hardwicke "for letting your hair down" was Cedric's own idea. . . . as Jessel said the words Hardwicke pointed to his own baldish head and pantomimed "what hair?" . . . success story: Carol Hansen, a little Brooklyn girl, won a beauty contest. . . . someone discovered she can sing, and now she has her own program! Ben Grauer has to fly down to Miami each week for the Kay Kyser airings. . . . Isabel Manning Hewson the woman commentator, wouldn't have any more musicians as guest stars on her early morning program. . . . twice prominent band leaders have slept through appointments! . . . Charlie Barnett has taken over Jan Savitt's musical chores at the Hotel Lincoln. . . . maestro Basil Fomeen has a collection of Russian operas which beats the one in the Library of Congress. . . . he has the score of every one ever published!

American Income Rises 12 Cents; Living Costs Up 3¢ Over Year Ago

PURCHASING POWER  
DECEMBER, 1939, Compared  
with DECEMBER, 1938

INVESTORS SYNDICATE  
MINNEAPOLIS

THE above chart, showing how the average American fared in national income changes in the last twelve months, is based on the monthly consumers' study of Investors Syndicate of Minneapolis. Mr. and Mrs. Public in December had a "real income" of \$1.12, or an increase of 12 cents on the dollar over the same 1938 month. This "real income" is not a subtraction of cash income and expenditures, but an average relative of these figures designed to show how living costs affect adjusted income dollars.

Cash income of Mr. and Mrs. Public in December was \$1.15 for every \$1 a year earlier. This gain of fifteen cents on the dollar resulted from the following changes per dollar: wages up twenty cents and salaries nine cents; investment income was up twenty-three cents and other income was up nine cents on the dollar.

# SEE WHAT THE YARDSTICK SAYS ABOUT *BIGNESS!*

The Ford V-8 has the shortest engine and the longest springbase among all low-priced cars. So, inside the body, where bigness counts, it's not surprising to discover the following facts:

**A** Inside length, windshield to rear window, is 100 1/4 inches . . . actually greater than some cars substantially higher in price!

**B** Rear seat knee room exceeds that in either of the other two leading low-priced cars. (Measurements taken in 4-door sedans, with front seat adjusted all the way back!)

**C** Rear seat passengers in a Ford ride farther ahead of the rear spring center, toward the center of the car where riding quality is best, than passengers in any other car at the price!

## ALSO NOTE THESE IMPORTANT FORD ADVANTAGES:

Ford rear door window glass rolls all the way down, flush with bottom of window opening.

Ford front-window ventilation control does not obstruct window opening with metal strip when glass is rolled down. . . . nothing to interfere with driver's arm signals.

All Fords have 2-spoke steering wheels and finger-tip gear shift on steering post at no extra cost.

## West Northfield and South Vernon

The speaker at the South Vernon church on Sunday morning at 10:30 will be Dr. J. Glover Johnson of the Bible department of Mount Hermon school, Sunday school will be at 11:45, evening service at 7 and Thursday evening at 7, prayer service at the Vernon Home.

The new pastor of the South Vernon church, Rev. Benjamin White, will not take up his residence here until about April 15. He will occupy the pulpit one Sunday in March. He is preaching at a church in Maine.

Joseph Szeszowski and sons, have recently completed the erection of a new barn on their premises, which will be used for stock and hay.

Mrs. Hattie Baker, age 70, formerly a resident of Vernon, died last Friday at the home of her son Walter in Shrewsbury, Mass. Her body was brought here to the home of her son Herbert and after funeral service in St. Michael's R. C. church in Brattleboro was buried in St. Michael's cemetery. She was the widow of James A. Baker.

Mrs. Frank Holton is somewhat improved. She is able to sit up a while each day.

The Vernon Union P. T. A. will hold their postponed entertainment next Wednesday evening at the Vernon town hall. Children from all schools and their parents will take part in the program. The regular meeting of the South school P. T. A. will be omitted in February.

Miss Ruth Dunklee had as her guest last week end, Miss Eleanor Wilson, a classmate at Castleton Normal, when she returned home.

John Becher entertained his mother of Cobleskill, N. Y. last weekend and visited friends in Whately on Sunday.

William Beyette, who was injured recently, is improving at the Franklin County hospital.

Mrs. William Burrows, who has been very ill, shows some improvement and Miss Clark of Bernardston is assisting in her home.

Ethelyn Berry, has returned to her home from the Farren hospital but is still under the care of a doctor and nurse.

The Just we eight club met at Leon Randalls Monday night and will gather at Owen Staceys next Monday evening.

## Dropping IN by Telephone

Folks ask you to "drop in" because they like to talk to you. But you're so seldom in their neighborhood. Perhaps they're wondering a little why you never accepted their cordial, really sincere invitation.

Even if it isn't convenient to visit their home, you can accept their invitation. You can drop in for a chat — by telephone. They'll appreciate it so much. You'll enjoy the voice-to-voice visit. And it costs so very little. Rates for out-of-town calls are especially low evenings after 7 and all day Sunday.

### THIS YEAR IS YOURS

God built and launched this year for you;  
 Upon the bridge you stand;  
 It's your ship, aye, your own ship  
 And you are in command.  
 Just what the twelve months' trip will do  
 Rests wholly, solely, friend with you.

Your log book, kept from day to day—

My friend, what will it show?  
 Have you on your appointed way  
 Made progress—yes or no?  
 The log will tell, like guiding star,  
 The sort of captain that you are.

Contrary winds may oft beset,  
 Mountainous seas may press,  
 Fierce storms prevail and false lights lure,  
 You e'en may know real stress,  
 Yet, does God's hand hold fast the helm,  
 There's naught your ship can o'erwhelm.

For weal or woe, this year is yours;  
 Your ship is on life's sea;  
 Your acts, as captain, must decide  
 Whichever it will be.  
 So now in starting on your trip,  
 Ask God to help you sail your ship.

## TOWN TOPICS

A purse of silver was presented Miss Blanche Corser last Friday evening, by her many friends, in recognition of her 25 years of service at the witch board of the telephone company in this town. The presentation was made in the room of the local exchange and refreshments were served to the visiting delegation.

The recent issue of the "Northfield Star" was a most attractive and interesting issue. It is the organ of the students of the Seminary and was chock full of news.

Mrs. Catherine Putnam of Orange was 101 years old last Friday. Familiarly known to many as "Aunt Kate" she was a frequent visitor at the home of her sister, the late Mrs. Hester Wood, of Northfield Farms, who died about five years ago.

Robert L. deVeer, of this town, a junior at Middlebury College, is on the committee for the carnival ball, the outstanding social event of the annual Middlebury College winter carnival scheduled this weekend. He is one of 18 undergraduates from Massachusetts making arrangement for the winter sports holiday.

Monroe Smith, director of the hostel movement, who has been on the west coast, visiting various cities in behalf of the hostel movement, returned to Northfield last weekend and on Monday evening in the Grange hall, he showed movies and gave information of the latest developments of the organization.

The Fortnightly meets this afternoon at three o'clock in Alexander Hall, when Miss Eleanor Davis of the Seminary will speak on "Current events."

The next scheduled meeting of the Women's Alliance of the Unitarian church will be at the home of Mrs. Frank W. Williams on Warwick avenue on March 14.

Congressman Treadway visited this section last Tuesday and in the evening was the speaker at a meeting of the Orange Kiwanis club.

Manager A. Gordon Moody of the Northfield hotel and John T. Holden attended the Springfield meeting and dinner of the Pioneer Valley association on Monday evening.

Frank Conklin, an instructor at Deerfield Academy, spoke to the faculty of Northfield Seminary last Tuesday afternoon on the geology of the Connecticut Valley.

A number of our towns folks enjoyed the concert at Greenfield Tuesday evening given by the Den Cossacks chorus in the High School auditorium.

Our town physicians are kept quite busy these days as there is much sickness in town.

There will be the usual vacation for this term of our public schools next week.

Joseph R. Colton and A. P. Pitt attended the monthly meeting of the County Board of Fire Underwriters at the Mansion House in Greenfield last Monday evening.

Clays M. Houghton of Brattleboro was in town Tuesday. He is preparing his catalog on gladioli bulbs and his advertisement will shortly appear in our columns.

Fred L. Tyler of Charlemont, who recently left his home for library purposes to his community, died in Florida, where he had gone for the winter with Jones Fisher of this town. Mr. Fisher will remain south indefinitely.

A letter from Mrs. Alice B. Adams of Ann Arbor, Mich., formerly of this town, states that he is well and very busy in the activities of her student homes of the University.

Harry L. Gingrass of the Northfield Pharmacy was called to Malden on Tuesday evening to the death of a relative.

Mr. and Mrs. J. V. McNeil of Maple street have closed their home and are taking a three weeks trip to visit at Miami and Key West, Fla.

Lawrence Day of Gill is improving after an operation for appendicitis at the Farren hospital.

It is announced that commencement for Mount Hermon school and the Northfield Seminary will be held on Monday, June 10.

Mrs. Isabel Smith, of the youth hostel, is remaining at Tucson, Ariz. for a few weeks longer to benefit her health.

James A. Delaney, formerly of Orange, who now makes his home with his daughter, Mrs. Gertrude L. Deane in Main street will observe his 86th birthday next month.

Mrs. Russell Durgin was a guest speaker Tuesday evening with the Philathea class of Goodale Memorial church in Bernardston.

According to an inventory filed in Probate court, the estate of the late Rose Kendrick of this town, was appraised personal, \$2804.05 and real estate, \$5475. Mrs. Kendrick died last Nov. 23.

Troop 2 of the local Girls Scouts held their meeting at the home of Mrs. Vernal Harbut on Tuesday afternoon. Members are making scrap books to earn a merit badge.

The Northfield Fish & Game association, Monday evening voted to have a banquet, show and dance in the town hall in April. Sam True-dell, William Dalton, and Donald Truesdell were chosen to make plans.

The California Coudens will give an entertainment in the Vernon town hall early in March for the South school P. T. A.

Vernon Grange will neighbor with Guiding Star Grange in Greenfield next Tuesday evening and with Protective Grange in Brattleboro next Friday evening.

## How To Enjoy Your Own Party

WHEN you must be maid and hostess, too, there's only one way to make sure that you will enjoy your own party. Plan ahead, and choose a menu that will require little last minute fuss and preparation. The hostess we all admire and envy, too, is the one who can greet her guests in a calm, unruffled fashion, secure in the knowledge that every tiny detail has been attended to, that linen, silver, and china are ready to use; that dainty and delicious food needs only a few last minute touches; that garnishes are arranged, and that there's no chance for anything to go wrong.

Angel Food Cake is probably "tops" in party foods. The oven in your modern electric range maintains the low, even heat required for the tender, delicate, and moist Angel Food we like, so why not make one for your very next party?

### Prize Angel Food Cake

Fruit filled Angel Food is particularly delicious for a party. To make it, bake your favorite Angel Food and when the cake has cooled, separate into 2 layers, using a fork. Spread with Whipped Cream Fruit Filling and put layers together again. Frost with remaining Whipped Cream Fruit Filling.

### Whipped Cream Fruit Filling

½ pint heavy cream  
 2 tablespoons sugar  
 ¼ cup fruit (crushed)  
 Whip the cream until stiff, then add in sugar and fruit.

If whipping cream refuses to whip, place the bowl containing the cream in a larger bowl filled with cracked ice. Then whip as usual.

If lettuce leaves for your party salad just won't "cup," this will help. Take two leaves of head lettuce and with a pair of scissors or a sharp knife, cut a V-shaped piece from the stem end of each. Then fit one V-shaped cut into the other and place on salad plate in form of a cup.

An easy and attractive garnish for the platter of cold cuts or a sandwich plate, is made by cutting small cucumber pickles in thin slices from one end almost to the other. Spread the slices to form a fan.

Use the deep-well cooker on your modern electric range for heating rolls. They will require no watching and when you're ready to serve them they'll be tender and moist, as well as warm!

To prevent flower holders or "frogs" from slipping, pour a little melted paraffin in the bottom of the flower bowl and press holder in the paraffin.

To keep fruit cake moist, place a cut apple or a piece of cheese cloth dipped in cider, in the container.

Always cream the butter and have it soft for spreading when you are making sandwiches.

### EDITORIAL

"The modern small town business man has many problems, but if he keeps his feet on the ground and uses his head there is no reason why he should not hold his own with any and all competition," says the Chieftain, of Enterprise, Oregon. "He has the means at hand to give personalized service, sell good merchandise at fair prices and above all be a friend of his customers."

The fact is that the small town business man has demonstrated beyond argument his ability to do just that. Gone is the day when the independent merchant spent most of his time beating his breast and demanding that his chain store competitors be hamstrung with legislation and taxation. The modern independent goes to work in the face of competition, exerts himself still more to please his trade—and the customers keep right on coming in. The small merchant has ideas and vision—and has been responsible for many innovations which have helped build and hold business.

### PRAYER OF ST. FRANCIS OF ASSISI

Lord, make me an instrument of Thy peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

### "OF ALL THINGS"

By SEEZER

At last we know what it is that has frozen the citrus crops, spoiled Southern vacations, and emptied our coal bins. Volcanoes. Yep! Last summer Alaskan and Southern Pacific volcanoes threw millions of tons of dust in the air, forming a thick film that blocks off the rays of the sun; and the stuff hasn't settled yet. Our brilliant sunrises and sunsets this winter are due to the same dust, says Robert M. Dole, U. S. Meteorologist of Portland, Maine.

## FASHION On The Air

NOW that the 40's are here, with a whisper of better times, the fashionwise radio actresses are talking of shorter skirts—and new hats and spring style trends.

Historians agree that shorter skirts nearly always coincide with better times. This being the case, Joan Tetzel, for one, already is an inch nearer prosperity. This owner of the prettiest legs in the cast of "When a Girl Marries" has turned up all her hems. Stylists say we'll all be doing it, come Spring.

Pastel hats, however, won't wait for Spring. They're blooming all over cold New York right now. Myrt and Marge choose tiny felt sailors in pink and blue, respectively, for wear with all-black dresses and dark fur coats. Another hint worth taking from this famous radio pair is that trick of pinning a spray of real roses to a hat crown.

Pockets—and more pockets—is another big fashion blint of the season. Bess Johnson takes advantage of the trend and wears a "money bag" belt which boasts of two handy leather pouches for compact, lunch money, and other such feminine necessities.

Special to the Glamour Department: Elaine Hitz of "Ellen Randolph" has a new umbrella that exactly matches her lipstick of "hot pink"—the latest cosmetic shade. And for the very last word in charm-while-travelling, we point to Fanny Brice. She fastens delicately scented sachets in the corners of her luggage—something that Baby Snooks, her alter ego, would never think of doing.
